

## How do we convince adults to give up smoking?

### Objectius

1. Research, organize and share information about smoking effects.
2. Understand and reflect about which are the worst drawbacks of smoking.
3. Discuss and reach agreements about which is the best way to convince adults to give up smoking (Conference, posters, article in the school blog...).
4. Use text and image editor to create the materials that will be used to achieve the BIG GOAL (Convince adults to give up smoking).

### Descripció de la proposta

In this proposal, students will reflect and learn about the following driving questions: Are you worried about your family's health? Are you worried about what will happen if they don't give up bad habits? Would you like to help them to improve their physical condition? Is there anything that we can do? If we work together we will reach our goal. But...How do we convince adults to give up smoking?

### Aspectes didàctics i metodològics

Students will be encouraged to collect information about smoking effects and then to classify the information collected in a mind map. That will allow them to be aware of the body damage that smoking can cause. The teacher will promote classroom discussion for students to reach final agreements in order to find out the best way to convince adults giving up smoking (Conference, posters, article in the school blog...).

Students' ideas will be the starting point for them to create their own materials by using text and image editor.
