## *My favourite star*

In this activity you are going to give an oral presentation about your favourite actor or singer to your class mates.

**1 Who is your favourite actor or singer? Surf the Internet to find information about a very famous person you like. Choose a singer, an actor or an actress. Print the information and bring it to class. This is your favourite person's fact file.**

**2 Pair work. Work with a partner. Find out information about his or her favourite person. Here you have a list of things you would like to find out. Complete the questions for your partner.**

• his/her name	What's his/her name?
• his/her job	What's his/her job?
• his/her age	How old ___ he / she?
• where he or she is from	Where ___ he _____?
• where he/she is living at the moment	Where is _____ living at the _____?
• if he/she is married or single	Is _____ or _____?
• if he has got any children	Has ___ got any _____?
• what he/she is famous for	What _____ he / she famous _____?
• what are his/her favourite songs / films	What _____ his / her favourite songs / films?

**REMEMBER!!!** Verb TO BE in **questions** goes before the subject!!

What **is** his name?

What **is** her job?

.....

**He is** a singer

but

**She is** an actress

**His** name is Michael Jackson

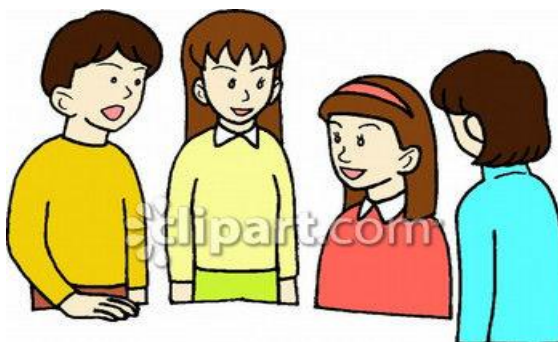

**Her** name is Scarlett Johanson

4. Ask your partner the questions and write the answer next to them.

5. Listen to your partner's questions and answer them.

6. Practice the dialogue. Ask your friends to listen to you and check your pronunciation

7 Prepare a power point presentation about your partner's favourite star. Prepare four slides:

Slide 1: Write his / her name, job and age

Slide 2: Write the name of the country he / she was born and where she / he is living at the moment.

Slide 3: Write if he/she is married or single, if she / he has got any children.

Slide 4: Write the titles of his / her songs or films

- Use the information you got from your partner.
- Type words (not sentences) and add a photograph of the star
- Save your power point on your pen

8. **FINAL TASK:** Talk about your partner's famous star to the rest of the class. Prepare your talk from the information on your power point. Speak slowly and clearly and do not read. Your partner will help you if you get stuck.

Listen to your partners giving their powerpoint presentation and fill in the chart with the information you hear.

STUDENT	star name	age	nationality	family	job	most famous song / film	<i>mistakes you heard !!!</i>
